

This is the WBC response on the 10th October 2017 to Bill Roberts' communication ref the questions for the 16th October 2017 meeting at the Town Hall.

Subject: RE: QUESTION SUBMISSION for Council consideration from OBJECTION GROUP WARRINGTON PDO and TPT BYPASS

Dear Mr Roberts – thank you for your question for the Council meeting due to be held on the 16th of October. Your question was the fourth public question to be received for the meeting. Having consulted with the Mayor, who is the Chair of the meeting, he has agreed that a written response be sent to you as per the Council's Constitution. I have appended the relevant Council Procedure Rule below:

Where more than three question are received for any one meeting, the Civic Mayor may decide that those not dealt with be replied to in writing after the meeting or referred to a subsequent meeting.

I will ask for a response to be emailed through to you.

Thanks
